During the previous autumn term we will be sending out leaflets with all the information you will need to complete your online application.

It is school policy to send out these leaflets via Royal Mail in the school year prior to your child entering school. It is important therefore that you keep us informed of any change of address.

Please read the statement below and sign to indicate your understanding and acceptance of the statement.

I understand that this is **not an application** for a place at school but an **expression of interest** and that it is my responsibility to ensure that an 'online' application is made to the relevant authority.
Should any of my contact details change I will inform the school.
